★ ELECTRONIC DONATIONS DO NOT COUNT TOWARD YOUR FUNDRAISING SCORE

- No PayPal, No Venmo, No Facebook Donations... No Square, No Apple Cardreader.... There is no approved electronic device or electronic donation collection method for your competition Fundraising Score
- PCA *will be accepting electronic donations at this event* and there may even be a QR code on your bucket sign, but these will not count toward anyone's Fundraising Score. We do not have a reliable, real-time, and fair method to allow this. We are not SYTYCD.
- Bitcoin and other types of cryptocurrency are not accepted.

★ EARN UP TO 10 POINTS ON YOUR SCORESHEET FOR THE VALUE IN YOUR BUCKET

- Group Stunts against Group Stunts, and Partner Stunts against Partner Stunts
- The 2022 "Fundraising Score" is now within the 30 point "Impact Scores" category
- Compared to 2020, this has been adjusted to reward a broader range of donations
- 10 points total will be awarded to the highest value Bucket in each Division (10 points for the highest Group Stunt Bucket, 10 points for the highest Partner Stunt Bucket)
- 8 points total to the second highest... 6 points total to the third highest... 4 points total to the fourth highest... 2 points total to the fifth highest.
